

CHAPTER GENERAL 2020

Niagara Falls, Ontario

May 28-31, 2020

Western Ontario Commandery, Order of Saint Lazarus, Canada

“Recalling the Past, Embracing the Future”
– Modernizing the Order with Technology.

Third Edition – February 7, 2020

Information on the Chapter General: Thursday, May 28, 2020

Message from our Grand Prior:

Members and Friends of the worldwide Military and Hospitaller Order of Saint Lazarus,

It is my privilege to invite you to the 2020 Chapter General of the Grand Priory in Canada and in particular to the Grand Prior's Reception.

The team from Western Ontario has worked hard to find a venue, places of worship and spots to relax for our work together and the Grand Priors reception is the starting point. Please come and enjoy all that the region has to offer, which is a small sample of what Canada is.

Niagara Falls has been referred to as the world's most famous address. Unlike some other locations that make that claim, our Chapter General has been designed to build on the strategic plan unveiled in 2019, while allowing for members to revel and relax in the sights, sounds and views that are Niagara.

I ask that you give thoughtful and serious consideration to attending as we work together to build our future and enjoy one another's company. I look forward to welcoming you in person!

Jane

Niagara-on-the-Lake has many attractions and points of interest to spend some time either before or after the Chapter General. The town of Niagara-on-the-Lake is home to the Shaw festival for theatre <https://www.shawfest.com/> and has as many quaint shops.

For War of 1812 history buffs, next to Niagara-on-the-Lake is Fort George, open for visiting, as well as Laura Secord House and Brock's Monument at Queenston Heights.
